

09.20.18

LWP has always been a creative community event run for and by the creative community.

The goal this year is to make it even bigger and attract more eyes.

This year we are proud to be hosting Life w/ Pixels in Boston at Draper design labs, in Kendall Square's tech center.

All tickets sales and sponsorship packages will go towards funding this year's event, which will be better than ever, thanks to you!

WHERE:
55 Technology Square
Cambridge, MA
